Class Training Details

All classes begin promptly at 8 am, except for the Asbestos Management Planner Refresher. The Asbestos Management Planner Refresher begins at 1pm, following the Asbestos Inspector Refresher on the same day. The training schedule is subject to changes. Classes are subject to cancellation and/or rescheduling. We will do everything possible to ensure a class remains on the schedule.

Registration

Registration may be done via website, email, or phone. Go to stokesea.com/training, click on the desired class, and follow the prompts to sign up. Payments can be made online and include a 3% processing fee for credit cards.

Payments & Cancellations

Payment may be made in the form of cash, check, or credit card. We accept Visa, MasterCard, Discover, and American Express. **A 3% processing fee is applied to all credit card payments. A training certificate will not be issued until payment is received.** Cancellations must be made a minimum of 24 hours in advance of the scheduled class to avoid a cancellation fee of half the cost of the class.

Scheduling

All classes can be scheduled as needed. For all classes, a minimum of 3-5 people must be registered for the class to proceed. For questions regarding additional class dates, please contact Ron Olivar by phone or email. Classes may also be transported to your facility for larger groups. A separate proposal will be provided.
